

# ALLOW THE CHILDREN

LOVING HIS CHILDREN; BUILDING HIS CHURCH

May 2011

## Tamara Mock

Tamara faithfully serves **Allow The Children** in the office as well as the field. She raises her own support and travel funds—all part of our efforts to keep 100% of designated gifts for children and projects going to the field.

If you can help with a special gift or committed monthly support, please mark your gift, "Tamara."

If you can help Tamara with an opportunity to speak to a Sunday School class or any kind of group, please contact her at **434-525-8866**

### **FAQ: How much of the money actually gets to the child?**

**Answer:** All of it. To this date, ALL of the gifts to children or to projects have gone to the field.

We find that our people really like the fact that ALL of the money is going for the child or project as they designate.

But they also want their **tax receipt**.

There are **government compliance** tasks which we must do.

**Banks charge fees** for their services to wire funds internationally.

We must have a **web site** and make some promotion materials.

We need to maintain our **computers**.

We need **paper and printing and postage**.

**Please consider helping with regular designated gifts for the office expenses.**
